

**My Commitment to Quality
A Self Reflection**

Do I make everyone feel welcome?

Do I respect everybody's abilities and interests?

Do I help children feel good about themselves?

Do I reassure others?

Do I take time to listen without interruption?

Do I create environments that are inclusive, fun and motivating?

Do I foster creativity?

Do I provide quiet times and spaces?

Do I react spontaneously to change?

Do I make time to play?

Do I watch and learn from children's play?

Do I accept diversity?

Do I seek opportunities to learn?

Do I role model cooperative interactions?

Do I work as a team member?

DO WE SHARE LAUGHTER TOGETHER?

Developed by the Quality Assurance Subcommittee
of The Child Care Committee of York Region.
